

Colostomy UK Purple Iris Stoma Care Award

The Colostomy UK Purple Iris Award recognises outstanding stoma care in community and clinical settings.

If your stoma care team has gone above and beyond in their care of you, a family member or a friend, then why not nominate them?

The 2017 recipients of the Purple Iris Award were the stoma care team at King George Hospital in Essex.

Nominations are now open for the 2019 award, and we welcome nominations for stoma care teams who:

- ❖ Deliver an exceptional level of care.
- ❖ Lead an excellent co-ordinated care package with other agencies and across a variety of health issues.
- ❖ Are innovative with their ideas to deliver outstanding patient support.

A representative from the winning stoma care department will be invited to attend our **Open Day dinner in 2019** when an official presentation will be made by our President.

We look forward to receiving your nominations and to hearing about the amazing care and support being carried out by stoma care teams across the UK. Careful consideration will be given to all entries and we will feed back comments anonymously to all nominated teams in recognition of their invaluable efforts.
