

Travel Certificate

Important information for travel authorities and their staff.

The bearer of this letter has a stoma.

What is a stoma?

A stoma is a surgically created opening in the abdomen through which the bowel and/ or bladder is diverted so that bodily waste can be collected in a bag. A stoma is a 'hidden' condition.

If you need to search the bearer, then please:

- · Be sensitive and empathetic.
- · Offer to conduct the search in a private room.
- · Do not separate the holder from their medical supplies as they may need them.
- · Allow the holder a chaperone.
- · Wear gloves.

Travel Certificate

This photo illustrates the sorts of medical supplies someone with a stoma may have with them.

Please do not separate the holder from their medical supplies as they may need them.

This is what stoma bags look like.

This is photo of someone wearing a stoma bag.

The bag may be fuller and contain faeces or urine.

Colostomy UK have a Travel Advice booklet which provides more information on travelling with a stoma.
