

Association of Stoma Care Nurses UK

Hospital Directory 2023

Introduction

Welcome to the new ASCN UK Stoma Care Nurse Directory.

As you will see, the hospitals are listed alphabetically within geographical areas for ease of reference with as many as possible SCN Department telephone numbers included. We review the content during the ASCN UK conference every year and updates are made accordingly.

This document is supplemented with an interactive map, visit:

<http://ascnuk.com/members-area/ascn-uk-hospital-directory>.

However, we welcome comments as to the suitability of this format and may need to amend in time. Your feedback is very helpful; this needs to be user friendly and easy to use.

Any amendments or suggestions please send to:

ascnuk@in-conference.org.uk.
